## IWG APPOINTS BUSINESS DEVELOPMENT CONSULTANT

October 27, 2005

Burnaby, BC, Canada – International Water-Guard Industries Inc. announces the appointment of Akbar Hassanally of West Vancouver, B.C. as a consultant, to undertake Business Development services related to increasing the company's profile within the finance community. The agreement with Mr. Hassanally provides for monthly payments of \$5,000 and runs to February 28<sup>th</sup>, 2006. Mr. Hassanally has known the company for several years and has assisted in previous private placement transactions undertaken by IWG.

Mr. Hassanally will be working in collaboration with his colleague, Mr. George Kawazoe, who has many years experience working with national and local brokerage houses and as a financial consultant.

Mr. Hassanally and Mr. Kawazoe are jointly acquiring 1,100,000 shares in IWG for investment purposes as a block sold by an arms-length investor.

International Water-Guard Industries Inc. is a Canadian aerospace company focusing on aircraft potable water treatment and full water system solutions. IWG has expertise in all aspects of water treatment, and has the products and know-how to provide high quality water for passengers and crew, and light weight, space saving solutions for the aircraft operator.

On behalf of the Board of Directors  
International Water-Guard Industries Inc.

“David C. Fox”  
President and CEO
