News Release

IWG GRANTS INCENTIVE STOCK OPTIONS

April 17, 2006

Burnaby, BC, Canada - International Water-Guard Industries Inc. announces that 180,000 options have been granted under the company's Stock Option Plan, including 100,000 options to a director of the company, for the purchase common shares at \$0.09 per share, subject to approval by the TSX Venture Exchange. The director's options replace an existing allocation that has expired.

International Water-Guard Industries Inc. is a Canadian aerospace company focusing on aircraft potable water treatment and full water system solutions. IWG has expertise in all aspects of water treatment, and has the products and know-how to provide high quality water for passengers and crew, and light weight, space saving solutions for the aircraft operator.

On behalf of the Board of Directors
