## NEWS RELEASE

### **IWG TECHNOLOGIES INC. SUBSIDIARY RECEIVES A SUPPLIER OF THE YEAR AWARD FROM GULFSTREAM AEROSPACE CORPORATION**

June 20, 2016

Burnaby, BC, Canada – IWG Technologies Inc. (IWG-T) is pleased to announce the receipt of a Supplier of the Year award from Gulfstream Aerospace Corporation by its wholly-owned subsidiary, International Water-Guard Industries Inc. (IWG-I).

“Winning this award from one of our major customers, and a leader in the industry, is an honour for our company” said Steven Bis, Senior Vice President and General Manager of IWG-I. “It shows the value our staff places on exceeding expectations through a culture of exceptional customer service, continuous improvement, dedication to quality, and genuine hard work”.

International Water-Guard Industries Inc. designs, builds and certifies the latest in ultraviolet disinfection technology for Gulfstream’s G650, G550, G500 and G450 aircraft. IWG is very proud to have its products as standard equipment on these aircraft, known for their innovation and advanced technology.

IWG Technologies Inc. is the public holding company for International Water-Guard Industries Inc., a Canadian aerospace company focused on aircraft potable water treatment, water systems, water heaters and components. IWG has expertise in all aspects of water treatment, heating, pressurization control and storage, has the products and know-how to provide high quality water for passengers and crew, and has lightweight, space-saving solutions for the aircraft operator.

On behalf of the Board of Directors
