## IWG NAMES GERALD EIERS AS VICE-PRESIDENT

April 16, 2007

Burnaby, BC, Canada - International Water-Guard Industries Inc. (IWG) is pleased to announce that Gerald Eiers has been appointed as the company's Vice President & General Manager. Eiers, who has been with the company for nearly ten years, will be responsible for overseeing IWG's Aerospace Manufacturing and Repair operations, Supply Chain Management, Quality Programs, Human Resources and Information Technology, as well as ongoing facilities development.

"Gerald's management has been a key component of the restructuring and growth of the company," said David Fox, IWG's President and CEO. "As we move forward, we wish to recognize the increased responsibility of the position of General Manager, and look forward to having Gerald play an even more important role in our ongoing success."

International Water-Guard is a Canadian aerospace company focusing on aircraft potable water treatment and full water system solutions. IWG has expertise in all aspects of water treatment, and has the products and know-how to provide high quality water for passengers and crew, and light weight, space saving solutions for the aircraft operator.
