IWG RECEIVES “TOP PERFORMER” AWARD FROM GULFSTREAM AEROSPACE CORPORATION

April 10, 2007

Burnaby, BC, Canada - International Water-Guard Industries Inc. (IWG) is pleased to announce that it has been awarded a Top Performer Award by Gulfstream Aerospace Corporation as one of its Suppliers of the Year. The award recognizes IWG for its achievements in Quality, Reliability, and Overall Performance as a supplier of Water Treatment Units for Gulfstream's leading business jets.

The award was presented at Gulfstream's 2007 Suppliers Conference in Savannah, Georgia. Presenting the award were Jim McQueeney, Vice President, Materials; Clark Bristol, Director, Final Phase Materials; and Doreen Gonzalez, Senior Purchasing Manager, Final Phase. Receiving for IWG were David Fox, President & CEO, and Giles Lapierre, Director, Sales & Marketing.

“We are extremely proud to receive this award.” David Fox said. “Gulfstream has been one of our most important customers for many years, and has always valued a supplier's ability to meet stringent performance criteria. We have worked diligently to refine our products and methods to meet or exceed their requirements, so this award is not only a source of pride, but validates a lot of hard work. Our goal now is continuous improvement.”

International Water-Guard is a Canadian aerospace company focusing on aircraft potable water treatment and full water system solutions. IWG has expertise in all aspects of water treatment, and has the products and know-how to provide high quality water for passengers and crew, and light weight, space saving solutions for the aircraft operator.
