## News Release

### IWG RECEIVES SUPPLIER OF THE YEAR AWARD FROM GULFSTREAM AEROSPACE CORPORATION

June 29<sup>th</sup>, 2012

Burnaby, BC, Canada – International Water Guard Industries Inc. (IWG) is pleased to announce for the fifth consecutive year IWG is the recipient of a Top Performer Award from Gulfstream Aerospace Corporation. "We are honored to be working with a company whose culture promotes the best in quality and performance from itself and its suppliers. Receipt of this award from one of our major customers recognizes IWG'S continuing efforts to remain a leading supplier to the Aviation Industry" said Vice President & General Manager Gerald Eiers.

The equipment, designed and built by IWG Technologies operating company International Water-Guard in British Columbia, Canada, represents the latest in flight qualified ultraviolet disinfection technology. IWG products are standard on the Gulfstream G650, G550 and 450.

IWG Technologies, Inc is the public holding company for International Water-Guard Industries Inc., a Canadian aerospace company focusing on aircraft potable water treatment, water systems, water heaters and components. IWG has expertise in all aspects of water treatment, and has the products and know-how to provide high quality water for passengers and crew, and lightweight, space saving solutions for the aircraft operator.
