► Please indicate the name of the event : EBACE_2022

⚡ = Mains
 X = Plugs

Please indicate the point where the cable should reach the stand

Note: As per today's floor plan we are seeing an island booth. IWG will have a Pop-Up-Stand at the show and it will be resting at the back of the booth close to space W49. Main power should be installed at the back left corner of V45
